

# FOUNDERS CLUB

**Be a Part of History**

The Illinois Trucking Foundation was recently created to promote the image of the trucking industry, to educate the public about trucking, and to provide scholarships to students in need.

In order to get the Illinois Trucking Foundation off the ground, we need your support. We are asking everyone in the trucking industry to consider a one-time donation to the Founders Club to provide a solid financial footing for the future of the Illinois Trucking Foundation.

Every company and every individual that donates \$100 or more for the Founders Club will be recognized for their contribution on a Donor Wall at the ITA Offices as well as a traveling donor display that will appear at ITA Events.

Companies that donate \$500 or more will be listed on the rear of the Illinois Trucking Association's semi trailer. For \$1,000 companies can have their logo on the sides of the ITA trailer. Companies that commit to \$1,000/year for 3 years will have their logo on the sides of the ITA trailer and receive a free listing on the rear of the ITA trailer.

With the Founders Club, you have the chance to help us launch the Illinois Trucking Foundation with a solid financial footing. Will you join us and be a part of history?
